Mammoth Community Water District Consumer Confidence Report on Water Quality in 2020 is Now Available

Mammoth Lakes, California – The Mammoth Community Water District’s Consumer Confidence Report on water quality for calendar year 2020 is now available at the District’s Administration Building’s front desk. The report can also be viewed or downloaded from the MCWD website, <https://mcwd.dst.ca.us/wp-content/uploads/2021/04/CCR-2020.pdf>. Water delivered by the MCWD in 2020 met all state and federal water quality standards. The report includes detailed information regarding the community’s water supplies such as where your water comes from, what constituents were detected in 2020, and how it compares to state and federal standards.

For questions about the Consumer Confidence Report, please contact the District during normal business hours at (760) 934-2596.

###

MCWD provides water and wastewater utility service to the Town of Mammoth Lakes and surrounding areas. MCWD strives to provide reliable, affordable utility service to our customers and to conduct our operations in a manner reflecting our stewardship role. We encourage our customers to practice responsible use of our limited water resources, and to take advantage of the information and services available to support this goal.
