**FILING DEADLINE: ~~Friday,~~
~~11/22/2024 @ 4:30 p.m.~~
Extended to Monday,
12/02/2024 @ 4:30 p.m.**
(Recruitment 24-006)

THE ORGANIZATION

The Mammoth Community Water District is committed to carefully and effectively managing and maintaining our local water resources. The District provides water and wastewater services to meet the health and safety needs of the community. All work is conducted in a safe, financially sound, and high-quality manner. We are committed to our customers and the environment in which we live.

THE COMMUNITY

Located in the Inyo National Forest of Mono County, California, on the edge of the Long Valley Caldera of the Eastern Sierra Nevada Mountains, Mammoth Lakes (named from the mining era, Mammoth Mining Co.) is the largest incorporated town within the greater county area. Mammoth Lakes serves as the popular skiing, camping, hiking, fishing, and geological Mecca of the region.

Mammoth Lakes (permanent pop. 7,191, 2020 Census, with periods of up to 35,000 due to tourism) is a dynamic community within a world-renowned National Forest and geological environment and attracts visitors from around the globe.

With a season that generally spans mid-November through the end of May, Mammoth Mountain is one of the premier ski areas in the country, including downhill skiing, snowboarding, cross-country skiing, snowmobiling, and dog sledding. The surrounding area offers summer recreation opportunities, including fishing, hiking, climbing, camping, road and mountain biking, horseback riding, and golf. Mammoth Lakes is a gateway community to world-class attractions such as Yosemite National Park, Devils Postpile National Monument, Death Valley National Park, and the John Muir and Ansel Adams Wilderness areas.

Mammoth Lakes' regional heritage can also be experienced through the areas numerous festivals, annual events, artisan markets and events, and cultural celebrations. Mammoth Lakes offers an excellent family life environment, housing, a thriving K-12 education system, a well-developed community college network, hospital, clinics, and airport.

POSITION DESCRIPTION

The **Line Maintenance Worker I** is an entry level position that, under relatively close supervision, learns and performs unskilled or semi-skilled water distribution and wastewater collection system maintenance, installation, and repair assignments. The **Line Maintenance Worker II** is a working level position that, under general supervision, performs the full range of inspection, maintenance, installation, and repair of pumps, valves, mains, services, and related water distribution and wastewater collection system facilities and appurtenances. The **Line Maintenance Worker III** is a journey level position that, under minimal supervision, performs fully skilled inspection, maintenance, installation, and repair of pumps, valves, mains, services, and related water distribution and wastewater collection system facilities and appurtenances. This position may lead direction of designated projects or during the absence of the supervisor.

All classifications perform customer service tasks, may be required to work extended hours, use respiratory equipment, be on call and/or standby, and work in all manner of inclement weather. This position requires a 9/80 work schedule.

BENEFITS PACKAGE

The District provides an outstanding benefits package including but not limited to:

- ◆ Health & Welfare – Three Anthem-Blue Cross medical benefit plans offered through ACWA/JPIA. Regardless of plan selected, the District contribution level for an employee and the employee's eligible family members is set at 100% of the Advantage PPO rate level. The District contributes 100% of the premium for employee and family for Delta Dental and VSP Vision.
- ◆ Retirement/Pension – 20% of annual gross contributed by District to self-directed investment funds 401(a) plan, with a five-year vesting period.
- ◆ Deferred Compensation – The District matches 50% of employee contribution to a Deferred Compensation 457(b) plan (2% maximum District contribution).
- ◆ Life Insurance – The District contributes 100% of the premium for employee (2x annual wage, max. \$200,000, 2-month waiting period), spouse, and dependents (\$1,500/\$1,000).
- ◆ Long- and Short-Term Disability – District contributes 100% of the premium for employees (180-day waiting period for long term and 60-day waiting period for short term).
- ◆ Holidays – Nine holidays, plus 24 hours personal holiday per year.
- ◆ Vacation Leave – 0-2 years/10 days per year, 3-4 years/15 days per year, 5-8 years/17 days per year, 9-14 years/19 days per year, 15+ years/20 days per year, 240-hour cap with one cash out option annually.
- ◆ Sick Leave – 8 hours per month, 500-hour cap with cash out option.
- ◆ Several District-owned condos available for rent by District employees.
- ◆ Home Buyers Down Payment Assistance Program for District employees.

THE COMPENSATION

The Line Maintenance Worker I salary range is \$26.34 - \$34.53 hourly.
The Line Maintenance Worker II salary range is \$29.26 - \$38.62 hourly.
The Line Maintenance Worker III salary range is \$34.53 - \$44.04 hourly.

THE IDEAL CANDIDATE

The ideal candidate will have knowledge of methods, materials, and equipment used in water and wastewater treatment maintenance work. The ability to establish and maintain cooperative working relationships. The ability to deal tactfully and courteously with the public. At a minimum, the selected candidate should have the following education, experience, and certifications:

- **Worker I:** Graduation from high school or equivalent. No specific work experience is required. Possession and continued maintenance of a Water Distribution Operator Grade D2 Certificate obtained from the California State Water Resources Control Board (SWRCB) within 24 months of appointment.
- **Worker II:** Graduation from high school or equivalent. Two years of experience in the installation, maintenance, and repair of water systems and collection systems, with one year in possession of a California Water Environment Association (CWEA) Collection System Maintenance Grade 1 certification or a SWRCB Water Distribution Operator Grade D2 certification.
- **Worker III:** Graduation from high school or equivalent. Three years of experience in the installation, maintenance, and repair of water systems and collection systems, with two years in possession of a CWEA Collection System Maintenance Grade 2 certification or a SWRCB Water Distribution Operator Grade D3 certification.

All Levels

- **Driver License:** Possession and continued maintenance of a valid California Class B Driver License within 12 months of appointment to the position. Proof of a driving record free of multiple or serious traffic violations or accidents for two consecutive years.

Note: Applicants must submit at the time of application, a current copy of their driving record from the State of California, Department of Motor Vehicles (DMV) issued no later than one month prior to application submittal. A California DMV driver record can be obtained at: <https://www.dmv.ca.gov/portal/customer-service/request-vehicle-or-driver-records/online-driver-record-request/>.

THE SELECTION PROCESS

Depending upon the number of applicants meeting the filing requirements and minimum qualifications, applicants will be scheduled for one or more of the following processes listed below:

- ◆ Application Review (Upon receipt, applications are screened according to the minimum qualifications/standards outlined previously, with the most qualified applicants being recommended to the Maintenance Department.)
- ◆ Performance Examination* (Weighted 100%, a job-related performance examination.)
- ◆ Oral Examination* (Weighted 100%, candidates are asked structured questions and must respond orally to allow the interview panel to evaluate the specific qualifications of each applicant.)

Applicants must achieve a passing score on the examinations to qualify for consideration. In addition, the District will verify a candidate's employment history, education, certification, licenses, training, and other information contained in the Employment Application, including any other materials submitted by an applicant with their application packet. An offer of employment will be conditioned upon legal ability to work in the United States, passing an occupational medical examination, and verification of a candidate's employment information as noted directly above.

HOW TO APPLY AND REQUIRED APPLICATION MATERIALS

- ◆ Mammoth Community Water District Employment Application (must be complete and current), applicable certification(s), and a DMV driving record report. The District application is available at <http://www.mcwd.dst.ca.us/employment>. A California DMV driver record can be obtained at: <https://www.dmv.ca.gov/portal/customer-service/request-vehicle-or-driver-records/online-driver-record-request/>.
- ◆ The application and application materials are to be submitted by email only to mreeves@mcwd.dst.ca.us. Applications via U.S. Mail, in person to the District, or fax will not be accepted. Resumes are not accepted in lieu of an application, although candidates are encouraged to attach resumes containing additional qualifying information if applicable.
- ◆ Date Opened: Tuesday, 10/22/2024
- ◆ APPLICATION DEADLINE: ~~Friday, 11/22/2024 @ 4:30 p.m.~~ - Extended to Monday, 12/02/2024 @ 4:30 p.m.

Immediate and future vacancies will be filled from this eligible list for a period of up to twelve months from the date of promulgation.
